

COVID-19 Policies & Procedures

Updated - 12/03/20

In support of the State, County & CDC regulations the following guidelines apply:

- Wear a mask to enter the building and while in all common areas including front lobby, locker area & bathrooms.
- You do not need to wear a mask while exercising, however you may wear one if you prefer.
- Clean equipment when done using the sanitizing wipes provided.
- Wash your hands or use our hand sanitizer upon entering and leaving the facility.
- Maintain 6' social distancing between others while in facility.
- Stay home if you don't feel well or have a fever.
- Class sizes reduced for proper spacing (spin studio limited to 9 and yoga studio limited to 12).
- Less crowded time to exercise is daily after 11am and especially in afternoons.
- We are following CDC strict cleaning guidelines daily for the facility.

We hope to see you soon! ☺
